Re: Extended Day
Date: February 10, 2017

In the event of inclement weather and the Warwick School Department cancels all after school activities, our Extended Day Program will remain open only until 4:30 PM. This will give you adequate time to leave your home or place of employment to pick up your children and allow our teachers to get home safely to their families.

If we see that this does not work out because parents are not coming by 4:30 PM, we will then have to consider canceling our Extended Day afternoon program when Warwick Schools cancel all after school activities.

Thank you for your attention.
