Dear Grade Eight Parents,

This letter is regarding the **Peanut/Tree Nut allergy condition and restrictions in your child's classroom.**

The child/children in question have a severe allergy that could be life threatening. The welfare and safety of our entire student body is of utmost concern to all of us in the Saint Peter Tri-Parish School family. **Snack foods for students in Grade Eight must be entirely nut free.** We are passing along to you today a few suggestions for snack foods that fit the nut free description: **Goldfish Crackers, Fruit Snacks, Teddy Grahams, fresh fruits and vegetables, Cereal Bars, Granola Bites.** We hope these suggestions are of help to you when packing snacks.

The students in Grade Eight eat lunch in the cafeteria. If you pack anything in the lunch box/bag that contains nut products the entire lunch box/bag must go directly to the school office or a container placed outside of the classroom. Your child will retrieve the box/bag just before going down to lunch.

There are many food products that contain various forms of peanuts/tree nuts/coconuts. We will not allow sharing of snacks or lunches. Please reinforce this with your children at home.

Thank you for your cooperation and understanding. Please call the office if you have any questions.

Sincerely,

Joan Sickinger
Principal
