Dear Preschool 3 and Preschool 4 Parents,

This letter is regarding **Peanut/Tree Nut allergy conditions and restrictions in your child's classroom.**

The child/children in question have a severe allergy that could be life threatening. The welfare and safety of our entire student body is of utmost concern to all of us in the Saint Peter Tri-Parish School family. **The Kindergarten classroom has also been declared peanut/tree nut free as well due to the fact that there are students with allergies in that class and many times the three classes will combine for special activities. Snack foods and lunch foods for Preschool students must be entirely nut free.** We are passing along a few suggestions for snack foods that fit the nut and coconut free description: **Goldfish Crackers, Fruit Snacks, Teddy Grahams, fresh fruits and vegetables, Granola Bites and some Cereal Bars (check the labels).**

There are many food products that contain various forms of peanuts/tree nuts. We will not allow sharing of snacks or lunches. Please reinforce this with your children at home.

Thank you for your cooperation and understanding. Please call the office if you have any questions.

Sincerely,

Joan Sickinger
Principal
