Dear Parent/Guardian:

Warwick Public Schools, in compliance with the Rhode Island Department of Health and the Rhode Island Department of Education, must provide mandated school screening each school year.

The following is a list of the screenings and grades at which they are provided.

Dental Screening - K - 5 and grade 9
Hearing Screening - K - 3
Scoliosis Screening - grades 6 - 8
Vision Screening - K - 5 and grades 7 and 9

These screenings will take place sometime during this school year as mandated by the Rhode Island Department of Health and the Rhode Island Department of Education. These screenings help to identify if your child has a problem in any of these areas.

This is not a consent form. If you do not wish your child to participate in the screenings, please notify the school nurse in writing.

Thank you,

Jennifer F. Connolly, Ph.D.
Director of Special Services
