

Please help us collect healthy food for those in most need in our community!

How you can help:

Place canned and boxed goods in a bag, attach the hanger that was left at your door the previous week, and place outside your front door by 9 a.m. on Saturday, November 4. (Food left out after 9 a.m. may be too late for a scout pick up.) Scouts will come by and collect it for you!

Most needed items:
Canned Tuna - Peanut Butter – Soups
